

CALL FOR PAPERS

XXXVIth Annual International Conference International Society for Occupational Ergonomics & Safety August 5-6, 2024 in Denver, CO (Details Coming Soon!)

This joint conference is being held in cooperation with SISE

Registration

(includes admission to the joint ISOES & SISE conference)

[More information](#)

Full (in person) - \$TBD

Online (attending and/or presenting) - \$TBD

Discounted pricing for students - \$TBD

Discounted in-person pricing for groups of 3 or more - \$TBD

Submission

Requirements & Deadlines

[More information](#)

Abstract Submission (350 words): **March 1, 2024**

Abstract Acceptance Notification: **March 15, 2024**

Final Abstract/Paper Submission* **May 15, 2024**

The following types of contributions from students, academic researchers, and practitioners are welcome: original research, pilot and ongoing studies, case studies, thematic literature reviews, dissemination articles, and research protocols. These contributions will be subject to peer review before acceptance.

- All submissions are to be made via EasyChair: [ISOES Submission Portal](#) (coming soon)
- Final Submissions: Max 6 Pages for Full Papers OR 2 Pages for Extended Abstracts

All details can be found at https://isoes.info/conference_home.html

Industry

Aerospace
Agriculture
Automotive
Aviation
Construction
Defense
Electronics
Fishing
Forestry
Health Care
Info Technology
Manufacturing Marine
Mining
Oil and Gas
Office
Retail
Transportation
Utilities
Warehousing
Others

Ergonomics & Human Factors

- Cognitive
 - Distraction/Inattention/Boredom
 - Perception/Processing/Memory
- Organizational
- Physical
- Psychosocial

Safety & Health

- Artificial Intelligence
- Automated Vehicles/Equipment
- Culture/Climate
- Data Analytics
- Home
- Nano Products/Processes
- Prevention through Design
- Risk Assessment/Management
- Robotics/Exoskeletons/Wearables
- Systems/Behavioral
- User Experience/Usability
- Virtual/Augmented Reality

Topics

Workplace Exposure Examples

- Aging Workforce
- COVID-19 Best Practices
- Environmental
 - Air Quality, EMF/EMR, Lighting
 - Nano-materials, Noise, Temperature
- Health & Wellness
- Manual Handling/Overexertion
- Musculoskeletal Injuries/Disorders
- Overweight/Obesity
- Remote Workstations
- Repetitive Motion
- Sit Stand
- Slips, Trips, and Falls
- Stress & Fatigue
- Vibration Exposure
 - Whole-body & Segmental
- Warnings & Procedures
- Work Rest Cycles
- Other Emerging Topics

ISOES 2024 Conference Proceedings will receive a unique DOI (Digital Object Identifier)

Abstracts/Papers will be published in the [ISOES Conference Proceedings](#).

Student Awards

[More information](#)

- ISOES will select up to two [full papers](#), with the student listed as the first author, to receive a monetary award not to exceed a combined sum of \$500.
- In addition to the monetary award, award recipient(s) will receive an official certificate of recognition and a free two-year membership to ISOES.
- Student candidates must be currently enrolled in an accredited university pursuing an undergraduate or graduate degree with an ergonomics or safety focus.
- Award recipient(s) will be expected to register and present his/her research at the August 2024 annual conference (virtual or in-person).

Conference Organization Committee

Richard Wyatt (Chair), Marc Snell, George Page, Anoop Desai, Anand Iyer, Steve Fleming
Gabriel Ibarra-Mejia, Jim Vachon, Murray Gibson, & James G. Borchardt.
